Donald S. Welsh, Regional Administrator

Mid-Atlantic Regional Office (Region 3) U.S. Environmental Protection Agency 1650 Arch St. Philadelphia, PA 19103 - 2029 (215) 814-5700

Within the U.S. Environmental Protection Agency, the Mid-Atlantic Regional Office (Region 3). is responsible for federal environmental programs in Maryland, Delaware, Pennsylvania, Virginia, West Virginia, and the District of Columbia.

Federal environmental programs include control of air and water pollution; regulation of toxic substances, pesticides and drinking water; protection of wetlands; management of hazardous waste; cleanup of hazardous waste sites; and some regulation of radioactive materials. The Office oversees compliance and enforcement, inspection, engineering reviews, ambient monitoring, analysis of environmental trends, environmental planning, pollution prevention, risk assessment, and education and outreach.

The Office and its partner pollution control agencies in the states regulate more than 21,000 air pollution sources; 12,000 water pollution sources; and 425 hazardous waste treatment, storage and disposal facilities. Together, the agencies investigate 1,500 potential hazardous waste dump sites and cleanup 165 sites included in or proposed for the Superfund National Priorities List.

# NATIONAL CAPITAL REGION COORDINATION FOR EMERGENCY RESPONSE

Thomas J. Lockwood, Director

National Capital Region Coordination for Emergency Response U.S. Department of Homeland Security 3801 Nebraska Ave., NW Washington, DC 20393 (202) 282-8000

To ensure adequate planning and allocation of resources among jurisdictions in the National Capital Region, the Federal Homeland Security Act of 2002 established the directorate of National Capital Region Coordination for Emergency Response within the U.S. Department of Homeland Security. That region includes Maryland, Virginia, the District of Columbia, seventeen local jurisdictions, regional authorities, and private companies responsible for critical communication and electrical infrastructure.

# **Cabinet Attendees:**

J. Joseph Curran, Jr., Attorney General

William Donald Schaefer, Comptroller of Maryland

Nancy K. Kopp, State Treasurer

Alan C. Woods III, Executive Director, Governor's Office of Crime Control & Prevention

Sharon R. Pinder, Director, Office of Minority Affairs

# **Additional Cabinet Attendees from Governor's Office:**

Mary Beth Carozza, Deputy Chief of Staff

Edward B. Miller, Esq., Deputy Chief of Staff

Craig A. Williams, Deputy Chief of Staff

Joseph M. Getty, Policy & Legislative Director

Jervis S. Finney, Chief Legal Counsel

Kenneth H. Masters, Chief Legislative Officer

Lawrence J. Hogan, Jr., Secretary of Appointments

Paul E. Schurick, Director of Communications

Paul D. Ellington, Lt. Governor's Chief of Staff

Zachary L. McDaniels, Lt. Governor's Deputy Chief of Staff

The Governor's Executive Council originated as the Governor's Advisory Council in 1922. It reorganized in 1969 as the Governor's Executive Council. Today, the Council is known as the

Governor's Cabinet. Meeting weekly, it coordinates, directs, and supervises State government.

The Council is comprised of twenty-three ex officio members. They include the Governor, who chairs the Council; the Lieutenant Governor; the Secretary of State; the secretary of each principal department of the Executive Branch of State government; the State Superintendent of Schools; the Secretary of Higher Education, and the Adjutant General. The Governor may appoint an executive secretary for the Council (Code State Government Article, secs. 8-101 through 8-105; Public Safety Article, sec. 13-301).

Emergency Service Sites (ESS)

# **Emergency Service Sites (ESS)**

Should people be unable to contact the police because of telephone or electricity failures, the MPDC will have more than 125 Emergency Service Sites (ESS) located throughout the District — in fire stations, community centers, local businesses, and other locations.

People can go to their nearest ESS to report a crime or to request any other type of public safety assistance. There will be a minimum of one ESS in each police service area; many PSAs will have several sites.

To find out what **Patrol Service Area (PSA)** you live in, use the online **PSA finder**, or visit the **Metropolitan Police Department**.

PSA	Site Address	Name (Engine Co. 9, 7–Eleven, etc.)	Type (store, firehouse, etc.)	Phone No.

# **District Emergency Shelters**

When conditions warrant, the DC Emergency Management agency will operate the established community-based emergency shelters for residents. Persons needing shelter are asked to bring clothing and sanitary supplies, pre–filled prescriptions and other medical needs, denture and eye care materials, and special dietary supplies or

requirements. With the exception of guided dogs, pets are not permitted in the shelters.

## **Emergency Service Sites (ESS)**

Should people be unable to contact the police because of telephone or electricity failures, the MPDC will have more than 125 Emergency Service Sites (ESS) located throughout the District — in fire stations, community centers, local businesses and other locations.

# A Family Emergency Preparedness Guide (Portable Document Format download)

The DC Emergency Management Agency publication, *A Family Preparedness Guide*, helps families prepare for, respond to, and recover from emergencies and disasters of all types.

#### EMERGENCY INFORMATION > EMERGENCY PROCEDURES > CODE RED

# Code red

Code Red is defined as an alert status indicating imminent danger exists to all staff and students. During a Code Red, staff and students must remain within their classroom or within a secured area. If students are in the hallways, they must quickly move to the nearest classroom or to a secure area, remain quiet and follow staff instructions. Staff should secure their immediate area and account for students. Students should also be kept away from doors and windows.

## EMERGENCY INFORMATION > EMERGENCY PROCEDURES > CODE BLUE

Public Schools

# Code blue

This is a term used to alert staff that an emergency/crisis exists at or near an MCPS facility. It requires all students to be accounted for and under supervision. Administrators may activate the On-Site Emergency Team (OSET) and set up a command post when appropriate.

School Safety and Security

#### Persons authorized to call a Code Blue

Administrators or their designee will notify staff and students via the PA system when a Code Blue is in effect. It is recommended that an "age-appropriate" announcement of a Code Blue include a brief description of the nature and location of the incident.

## Code Blue staff guidance

When the administrator announces a Code Blue, all students should be accounted for in an instructional area. Wait for further instructions. Classroom instruction may continue.

Staff must document attendance and report any discrepancies to an administrator/designee when it is safe to do so.

During a Code Blue, classroom lockdown is not required.

The OSET may be activated by an administrator during a Code Blue via a PA announcement.

Depending on the Code Blue situation (the nature of the emergency or potential threat), it may not be safe to change classes. In these situations, class bells should be turned off and students/ staff should remain in their classrooms until directed otherwise by the administrator/designee.

Depending on the Code Blue situation, staff supervising students outside may be requested to move students to a pre-determined location inside.

#### Clarifications on Code Blue procedures

The following are some clarifications on the procedures for Code Blue:

- Classroom instruction continues inside the building with controlled class change, which
  means staff should supervise students in the hallways and between relocatable
  classrooms and the main building.
- School lunch should continue with appropriate supervision of staff.
- It is recommended that schools secure exterior doors today. When exterior doors are locked, schools should post staff/OSET member at the front door and the door of the main building leading to the relocatable classrooms to allow appropriate movement in and out of the school.
- Teachers are allowed to open windows to ensure ventilation.

In a Code Blue it is not necessary to bring students in to the main building from the relocatable classrooms.

# **Hotlines**

## Safe Schools Hotlines

Two confidential (no Caller ID) hotlines are available to report safety and/or security concerns.

- MCPS Safe Schools 24-hour Hotline at 301-517-5995
- Maryland Safe Schools Tip Hotline at 1-877-636-6332 (toll-free)

Both of these hotlines are staffed 24 hours a day/seven days a week to receive anonymous information pertaining to school safety and security concerns.

Montgomery County Public Schools is committed to providing a safe and secure learning environment for students and staff. Safety and security of our schools is everyone's concern. Questions about the hotlines can be directed to the <a href="Department of School Safety and Security">Department of School Safety and Security</a> at 301-279-3066.

# **Drug Tip Hotline**

This is a confidential (no Caller ID) hotline to report illegal drug activity.

Montgomery County Department of Police Drug Tip Hotline at 240-773-5399.
